

**REMARKS**

Applicants have attempted to correct the title by submitting a Request for Filing Receipt Correction (Exhibit A); however, the Request was not accepted by the Initial Patent Examination Division, see Response to Request for Corrected Filing Receipt (Exhibit B).

As was suggested in the above Response, we are asking the title to be fixed via a Preliminary Amendment. Also enclosed herewith are:

An amended Page 1 of the specification showing the change; and  
A replacement Page 1 of the specification with the correct title.

All other pages: transmittals, cover sheet, declaration, etc., contained the correct title and do not need to be amended.

Date: 8 June 04

Respectfully requested,
